

Berlitz®

Total Immersion®

Achieve results with our most elite program. Guaranteed.

Our fastest, most intensive language instruction.

The fastest and most intensive language program available, Berlitz Total Immersion® is for the most discriminating business professionals, and is customized to focus entirely on the individual learner. Berlitz research led to the development of Berlitz Total Immersion, a scientifically proven technique of intensive individual language instruction. In as little as one to three weeks, participants can learn to communicate, from basic social encounters to more complex business interactions. Once the basics are mastered, programs can be customized to include specific business terminology as well as any other special requirements that may be needed.

Total Immersion Certified Instructors

Berlitz Total Immersion provides business professionals with personalized one-on-one training from a team of Berlitz Total Immersion Certified Instructors. This training model promotes and encourages familiarity with a variety of native speakers, imitating real life experience. All Total Immersion instructors have extensive experience teaching the world-renowned Berlitz Method®, as they are meticulously trained in delivering the elements of this multifaceted program.

Berlitz Total Immersion is designed to engage individuals in a variety of real-life situations, including communicating over the phone, using the target language in social situations, and confidently interacting in both one-on-one and group settings. Learners take part in daily training modules with two Total Immersion instructors simultaneously. The three-way conversation, combined with challenging rapid-fire question and answer drills, prepare our clients for situations with multiple speakers such as meetings and conferences. Total Immersion prepares our clients to encounter their new language environment with self-assurance.

Exclusive Berlitz Total Immersion Guarantee: *We guarantee you will advance by at least one Berlitz Proficiency Level, or we will give you additional instruction until you do.**

* Learners must actively participate in instruction and daily counseling to be eligible for the guarantee.

Berlitz Total Immersion has evolved to include new features designed to meet and exceed the needs of today's business professionals.

- A Pre-Course Survey helps us learn about each individual's special requirements, schedule, learning style, goals, etc.
- A Personalized study plan is designed for each individual to match his or her unique learning style and goals, based on the Pre-Course Survey.
- Berlitz Action Modules: Role-play exercises that include two Total Immersion Certified Instructors and help to prepare business professionals for a range of realistic business and social situations.
- A leisurely lunch is offered each day at local restaurants accompanied by a Berlitz Total Immersion instructor. A relaxed restaurant setting is the ideal environment for engaging in casual conversation, preparing clients for real-life business and social experiences in the language and culture.
- Cultural enrichment components provide insight on a target country's business or social culture—courtesy of Berlitz Cultural Consulting®.
- Web Quests: Guided by a Berlitz Total Immersion instructor, this cultural web search focuses on the client's needs or areas of interest (business, leisure, personal enrichment, etc.).
- Daily counseling is provided to help individuals stay on track and achieve ultimate results.
