

Ticket to...

Berlitz[®]

Your ticket to an exceptional language vacation experience!

If you're planning a trip to a French or Italian -speaking country, Ticket To... is your ticket to an exceptional vacation experience! Offered in French or Italian, Ticket To... is a live, interactive online language-learning program geared towards beginners with little or no experience in the language. Your highly trained Berlitz instructor will have you speaking the essential words and phrases needed to enhance your travel experience in just five 90-minute sessions. Ticket To... spotlights topics such as introductions, how to order food and wine, exchanging currency, how to get and give directions, and much more.

The complete 5-session program, including all downloads can be purchased for \$175. Join a Berlitz Ticket To... program today — in just five 90-minute sessions, we'll prepare you for a more satisfying and memorable vacation experience.

- Program features intimate groups of up to 8 students
- Our conversational approach to language learning is as fun and delightful as it is effective and rewarding
- All sessions are conducted via Berlitz Virtual Classroom, the innovative distance-learning program from Berlitz
- BVC offers language instruction identical to that offered in our Language Centers live via the Internet
- With a multimedia, internet-ready computer, and a headset, you'll enjoy listening and speaking with your instructor and your classmates — in real time.
